You have received a letter from your English-speaking friend Frank. Write him a letter and answer his questions. Write 80-100 words. Remember the rules of letter writing.

... My mother complains that I am lazy and don't help her much. Do you often help your parents? What about your friends? What duties does every member of your family have in the house?...

Dear Frank; ✓

Hi! How are you? I'm glad to hear you again. Between i

don't think that you as lazy as your mother complains. So you don't need worry that much.

Of course i help my mom, but not very often, because i need to do my homework too. That's why rare she does all by herself. I can't answer about my friends clearly, but i think that they help their mothers too.

My brothers and dad are far away from us, so we do all duties together. I wash the dishes and clean the house. Mom does the cooking, because i can't cook. But she said that she'll learn me someday.

I hope that was useful at least. Now i need to go, my mom's calls for me.
