Yesterday I watched a video about Chester Bennington's life. I know that ~~it's~~ it's not documentary, but I very liked it, and decided to write a review about that video.

Chester was a vocalist of one of the most famous bands of all time - Linkin Park. I think everybody knows Linkin Park because their songs are very popular, "Numb", "In the end", "What I've done", "Heavy", "New Divide" etc., everyone heard this songs. Chester's life was very hard, he had a drugs addiction and an alcoholism. He thought that drugs and alcohol will help him, because his childhood was very heavy, but he was wrong. But later when he was in Linkin Park, Chester decided to refuse from ~~that~~ ^{this} habits addictions. Everything was good before Chester's best friend committed suicide. It was very sad, and while Chester was singing "One more light" in memory of ~~that~~ ^{his} friend, he almost ~~cried~~ ^{cried}.

In 2017 ~~in~~ at ~~his~~ ^{his} dead friend's birthday, Chester Bennington committed suicide in his own house. That's how the world lost one of the best singers of all time. Rest in peace, ~~don~~ ^{rest} Chester Bennington.
